If not self-insured, submit executed copies of the following policies, with the Office listed on the policies for purposes of notification of any modification, cancellation, or termination of the policies:

i. General liability

A binder for the policies along with a specimen copy of each policy can be submitted initially. Prior to licensure, executed copies of the policies must be submitted.

b. Furnish a photocopy of an executed fidelity bond in the minimum amount of $100,000 USD issued by a Florida authorized insurance carrier and covering all employees handling funds.

If the HMO secures catastrophic or reinsurance coverage, it is required to submit copies of the applicable policy with the Office. Any reinsurance agreement must comply with Section 624.610, Florida Statutes, and Rule Chapter 69O-144, Florida Administrative Code.

If the applicant is a development stage company that has not begun operations, an audited balance sheet should be provided. The financial statements should reflect sufficient surplus to meet the requirements of Section 641.225, Florida Statutes.

b. Provide all quarterly financial statements covering the current year-to-date reporting period signed by the company's officers under notary seal.

Section III-3 Plan of Operations

Provide a statement generally describing present and proposed operations. State whether the HMO will be organized for profit or not for profit and whether it will be a Staff Model, IPA Model, or Combination Model HMO. Also, identify the HMOs fiscal year end date. The plan of operations should be for the greater of three years or until the health maintenance organization has been projected to be profitable for twelve consecutive months.

If the HMO intends to market to small groups as defined by the Employee Health Care Access Act, s. 627.6699, Florida Statutes, please complete and submit the attached Small Employer Carrier's Application To Becomes A Risk Assuming Carrier Or A Reinsuring Carrier, As Required By Section 627.6699(9), Florida Statutes (Form OIR-B2-1093).

If the plan of operation indicates that the HMO will receive Medicaid funds, list all contracts and agreements and any information relative to any payment or agreement to pay, directly or indirectly, a consultant fee, a broker fee, a commission, or other fee or charge related in any way to the application for a certificate of authority or the issuance of a certificate authority. Such list shall provide the following, including, but not limited to, the name of the person or entity paying the fee; the name of the person or entity receiving the fee; the date of payment; and a brief description of the work performed.

Section III-4 Marketing and Growth

Submit a description of the proposed method of marketing, including the target groups, types of coverage to be offered, and advertising media to be used. Include a statement describing with reasonable certainty the geographic area or areas to be served by the HMO. Identify competing HMOs operating in the same geographic service area, as well as the market penetration of each. Also, identify the major differences between the applicant HMO and its competitors.

Section III-5 Pro Forma Statements

Submit a pro forma balance sheet and income statement on a statutory basis at monthly intervals (with an annual total) for a minimum three-year period (greater of three years or until the health maintenance organization has been projected to be profitable for twelve consecutive months.) All assumptions used in deriving the pro forma statements must be provided. A Statement of Changes in Financial Position and a Statement of Cash Flows should be provided for the same period covered by the balance sheet and income statement.

Section III-6 Statement of Initial Cash

Submit a statement of the proposed initial cash and cash reserves summary, including loan receipts, loan repayments, stock sales, etc. Also, describe the sources and terms of the funding. In the case of guaranteeing organizations, as referenced in Section 641.225, Florida Statutes, submit audited financial statements, certified by an independent certified public accountant, prepared in accordance with generally accepted accounting principles, covering its two most current annual accounting periods.

Section III-7 History

Provide a brief history of the company since its incorporation. Include any predecessor corporations or organizations, mergers, reorganizations, or changes of ownership. Specify the parties and dates involved.

Section III-8 Insolvency Protection

Provide the method in which the applicant will comply with the insolvency protection requirements of Section 641.285, Florida Statutes, including all relevant documentation necessary to meet the requirements. Each HMO must comply with the insolvency protection requirements of Florida law. This is accomplished through a deposit of $300,000 USD in accordance with Section 641.285, Florida Statutes.

Provide any contingency plans for additional capital should the HMO fail to maintain minimum surplus requirements as mandated by Section 641.225, Florida Statutes.

Section III-10 Feasibility Study

Submit a comprehensive feasibility study, performed by a certified actuary in conjunction with a certified public accountant, which includes a rate and financial analysis, as well as enrollment projections and assumptions and competitor information. The study shall be for the greater of three years or until the HMO has been projected to be profitable for twelve consecutive months. The study shall show that the HMO will maintain, at all times, the minimum surplus required by Section 641.225, Florida Statutes, and will not, at the end of any month of the projection period, have less than the minimum surplus as required by Section 641.225, Florida Statutes. The feasibility study shall contain an opinion by the certified public accountant and actuary performing the study which shall opine as to the reasonableness of the assumptions used in the feasibility study and that the assumptions are reasonably applied.

The financial portion of the study shall be prepared in accordance with standards promulgated by the American Institute of Certified Public Accountants in its "Guide for

Prospective Financial Statements" and opined accordingly. The actuarial portion of the study shall be prepared in accordance with standards promulgated by the American Academy of Actuaries and opined accordingly. The feasibility study shall contain nothing less than an "examination opinion."

Section III-11 Contracts

a. A copy of each type of contract made, or to be made, between the applicant and any providers (i.e hospitals, physicians, physician groups) regarding the provision of health care services to enrollees. All such contracts shall comply with Section 641.315, Florida Statutes.

b. A copy of the form of any contract made or to be made between the applicant and senior management employment, as well as any person, corporation, partnership, or other entity for the performance on the applicant's behalf of any function including, but not limited to, marketing, administration, enrollment, investment management, and subcontracting for the provision of health care services to enrollees. All such contracts shall comply with Section 641.234, Florida Statutes and 641.315, F.S. if applicable.

Documentation may be provided in the form of an acknowledgement from the Agency for Health Care that the application has been received by them.

NOTE: The Office will begin its review of an application for a Certificate of Authority any time after an organization has filed an application for the certificate with the Agency for Health Care Administration. CARRIER NAME _____

ADDRESS (CITY ST ZIP) _____

_____

FEIN: _____ NAIC GROUP CODE: _____ NAIC COMPANY CODE: _____

As required under the provisions of Section 627.6699(11), Florida Statutes, we hereby apply to elect the following status. (Select one block only.)

☐ **A. Reinsuring Carrier**

A reinsuring carrier, as the term is used in Section 627.6699, Florida Statutes, is a direct writer of small employer health benefit plans and participates in the small employer health reinsurance program created by Section 627.6699 (11). If reinsuring carrier status is elected, nothing further is required except completion of the signature line on page 2 and submission to the Office.

☐ **B. Risk Assuming Carrier**

If risk-assuming carrier status is elected, attach information showing that the carrier is financially capable of assuming that status pursuant to the criteria in items 1 through 4, below; then complete the signature line at the bottom of the page and send to the Office, Bureau of Life and Health Forms and Rates.

1. The carrier's financial ability to support the assumption of risk of small employer groups. The carrier shall demonstrate that its surplus is adequate to support the fair marketing required by the act and that the planned premium volume after becoming a risk- assuming carrier does not endanger the financial condition of the carrier or endanger the interest of the carrier's policyholder.

2. The carrier's history of rating and underwriting small employers' groups. The carrier shall demonstrate that it has successfully engaged in the business of transacting rating and underwriting of small employer groups or is the wholly owned subsidiary of such a company and that its condition and methods of operation in connection with small employer group contracts will not be such as to render its operation hazardous to the public or its policyholders in this state.

It should be demonstrated that the financial condition of the carrier is adequate to assume the risk of marketing or their employees' health status to comply with the purpose and intent of the law as stated in Section 627.6699 (2) without the benefit of the special reinsurance program created by Section 627.6699 (11) for reinsuring carriers. If part of the response is that your existing reinsurance program will be depended upon to cover such risks that you may be required to assume, include a copy of the reinsurance treaty with a summary of how it applies to these risks. The requirement of a copy of the reinsurance treaty does not apply to carriers that have a policyholder surplus in excess of $100,000,000.

☐ 5. Not Applicable: The carrier will not issue health benefit plans or products to Florida small employer groups as defined in Section 627.6699, Florida Statutes.

Pursuant to the Federal Privacy Act of 1974 (5 U.S.C. § 552a), FDLE is responsible for informing you whether disclosure is mandatory or voluntary, by what statutory or other authority your SSAN is solicited, and what uses will be made of it. FDLE does not require a SSAN but it could cause a delay in processing your criminal history record check.

Authorized agencies are allowed to release a copy of the state and national criminal record information to a person who requests a copy of his or her own record if the identification of the record was based on submission of the person's fingerprints. Therefore, if you wish to review your record, you may request a copy of your record from the screening agency. After you have reviewed the criminal history record, if you believe it is incomplete or inaccurate, you may conduct a personal review as provided in s. 943.056, F.S., and Rule 11C-8.001, F.A.C. by calling FDLE at (850) 410-7898. If you believe the national information is in error, you may contact the FBI at (304) 625- 2000. You can receive any national criminal history record that may pertain to you directly from the FBI, pursuant to 28 CFR Sections 16.30-16.34. You have the right to obtain a determination as to the validity of your challenge before a final decision is made about your status as an employee, volunteer, contractor, or subcontractor within a reasonable time.

The FBI's Privacy Statement follows on a separate page and contains additional information.

PRIVACY ACT STATEMENT

Authority: The FBI's acquisition, preservation, and exchange of fingerprints and associated information is generally authorized under 28 U.S.C. 534. Depending on the nature of your application, supplemental authorities include Federal statutes, State statutes pursuant to Pub. L. 92-544, Presidential Executive Orders, and federal rules providing your fingerprints and associated information is voluntary; however, failure to do so may affect completion or approval of your application.

Social Security Account Number (SSAN). Your SSAN is needed to keep records accurate because other people may have the same name and birth date. Pursuant to the Federal Privacy Act of 1974 (5 USC 552a), the requesting agency is responsible for informing you whether disclosure is mandatory or voluntary, by what statutory or other authority your SSAN is solicited, and what uses will be made of it. Executive Order 9397 also asks Federal agencies to use this number to help identify individuals in agency records.

Principal Purpose: Certain determinations, such as employment, licensing, and security clearances, may be predicated on fingerprint-based record checks. Your fingerprints and associated information/biometrics may be provided to the employing, investigating, or otherwise responsible agency, and/or the FBI for the purpose of comparing your fingerprints to other fingerprints in the FBI's Next Generation Identification (NGI) system or its successor systems (including civil, criminal, and latent fingerprint repositories) or other available records of the employing, investigating, or otherwise responsible agency. The FBI may retain your fingerprints and associated information/biometrics in NGI after the completion of this application and, while retained, your fingerprints may continue to be compared against other fingerprints submitted to or retained by NGI.

Routine Uses: During the processing of this application and for as long thereafter as your fingerprints and associated information/biometrics are retained in NGI, your information may be disclosed pursuant to your consent, and may be disclosed without your consent as permitted by the Privacy Act of 1974 and all applicable Routine Uses as may be published at any time in the Federal Register, including the Routine Uses for the NGI system and the FBI's Blanket Routine Uses. Routine uses include, but are not limited to, disclosures to: employing, governmental or authorized non-governmental agencies responsible for employment, contracting licensing, security clearances, and other suitability determinations; local, state, tribal, or federal law enforcement agencies; criminal justice agencies; and agencies responsible for national security or public safety.

Additional Information: The requesting agency and/or the agency conducting the application-investigation will provide you additional information pertinent to the specific circumstances of this application, which may include identification of other authorities, purposes, uses, and consequences of not providing requested information. In addition, any such agency in the Federal Executive Branch that has published notice in the Federal Register describing any systems(s) of records in which that agency may also maintain your records, including the authorities, purposes, and routine uses for the system(s).

CONFIDENTIAL

Pursuant to section 119.071(5), Florida Statutes, social security numbers collected by an agency are confidential and exempt from section 119.07(1), Florida Statutes, and section 24(a), Art. I of the State Constitution. The requirement must be relevant to the purpose for which collected and must be clearly documented. The social security numbers must be segregated on a separate page from the rest of the record.

Applicant's Name: _____
Applicant's Social Security Number: _____

The requirement for the applicant's social security is mandatory.

Section 119.071(5), Florida Statutes, gives authority for an agency to collect social security numbers if imperative for the performance of that agency's duties and responsibilities as prescribed by law. Limited collection of social security numbers is imperative for the Office of Insurance Regulation. The duties of the Office of Insurance Regulation in background investigation are extensive in order to ensure that the owners, management, officers, and directors of any insurer are competent and trustworthy, possess financial standing and business experience, and have not been found guilty of, or not pleaded guilty or nolo contendere to, any felony or crime punishable by imprisonment of one year. In establishing these qualifications and the Office of Insurance Regulation's responsibility to ensure that individuals meet these qualifications, the legislature recognized that owners, officers, and directors of an insurance company are in a position to cause great harm to the public should they be untrustworthy or have a criminal background. These individuals control vast amount of funds that belong to policyholders. To meet the legislative intent that these people are qualified to be trusted, having the identifying social security number is essential for the Office of Insurance Regulation to adequately perform the background investigative duty. There are many individuals with the same name, without this identifying number it would be difficult if not impossible to be reasonably sure that the correct individuals are identified and verify they meet the statutorily required conditions.
