

## Office of Insurance Regulation

### MEMORANDUM

**DATE:** January 31, 2025

**TO:** **Life and Health Insurance Companies and Accredited Reinsurers Filing on the Health Blank**  
- Financial Statement Contact Person

**FROM:** Carolyn Morgan, Director  
Life & Health Financial Oversight

**SUBJECT: 2025 FILING REQUIREMENTS**

This package is designed to assist Life and Health insurers in preparing their filings with the Florida Office of Insurance Regulation (OIR). This information provides the filing requirements for companies holding a Certificate of Authority and Accredited Reinsurers. Please be advised that this checklist is provided as a reference document only and is not intended to alter, amend, or replace statutory requirements.

This package has been designed to conform to the format adopted by the NAIC Standard Reporting Formats Working Group. The working group's objective is to move towards uniformity in the states' filing requirements checklists.

Filings shall be made utilizing the 2024 Annual Statement Instructions and Blanks and the 2025 Quarterly Statement Instructions and Blanks adopted by the National Association of Insurance Commissioners (NAIC).

All filings should be made electronically through the Regulatory Electronic Filing System (REFS) via the Industry Portal located at <https://refs.fldfs.com/Account/Login>. This checklist has been revised to reflect the electronic requirements.

Notable highlights from this year's package include:

- Electronic signatures and electronic notarizations are accepted by the OIR. See Notes G and H for additional information.
- Service Area Expansion and Changes to the Plan of Operations need to be filed as a periodic filing to REFS (including narrative and projections).
- Current projections must be on file, at a minimum, at least every three years, by every domestic company, pursuant to section 624.424(6), Florida Statutes. When the current year is projected, actual amounts that have already been reported shall be used.
- CMS MA State Certification Requests shall be filed as a periodic filing to REFS with a cover letter.
- Requests for exemption, and other miscellaneous requests, shall be filed as a periodic filing to REFS.
- See the Notes and Instructions section for the proper filing of the premium tax returns and checks for payment of filing fees and premium tax payments with the Florida Department of Revenue
- All insurers must file electronically with the NAIC. Foreign insurers who are commercially domiciled in Florida must file according to the Domestic Checklist column.
- Changes in Actuary now requires a letter from the actuary addressed to the insurer stating whether the actuary agrees with the statements contained in the insurers' letter, and if not, stating the reasons for which he or she does not agree. The insurer shall provide both letters to the OIR.

- In addition to the Jurat Page, the Actuarial Opinion, Risk Based Capital Report and Reinsurance Summary Supplement are also required to be signed and scanned to an electronic document. All domestic insurers will be required to submit the scanned document as an uploaded document into REFS.
- A component has been added to REFS annual filings called Captive Reinsurance Report. See Note EE for a description of the information to be uploaded to this component, if applicable.
- Components have been added to REFS holding company filings called Form F Enterprise Risk Report and Corporate Governance Annual Disclosure. Instructions updated. See Notes W and GG for more information.
- ORSA filings are required for applicable companies. See Notes FF and W for more information.
- Underwriting & Investment Exhibit, Part 1. See Note HH for a description of information to be uploaded to this component.

## INSTRUCTIONS FOR FILING REQUIREMENTS: QUESTIONS & ANSWERS

1. **The checklist indicates that the deadlines for filing statements are March 1, May 15, August 15, and November 15. Do they have to be received by the OIR on March 1, May 15, August 15, and November 15 or postmarked by these dates?**
  - > The REFS filings must be received by the OIR no later than 5:00 PM on the applicable due date. Since the NAIC's electronic filing system requires overnight to process any filings, companies need to file the appropriate documents with the NAIC **at least** 1 business day prior to the OIR's filing due date.
2. **If a filing requirement deadline falls on a weekend or holiday when is the filing due?**
  - > The deadline would be moved to the first business day following the original deadline.
3. **Will companies submitting late statements be fined?**
  - > **Yes.** Furthermore, failure to timely file statements is grounds for suspension of the company's Florida Certificate of Authority.
4. **May I attach my check for the premium tax payments to my filing?**
  - > Remit premium tax payments directly to the **Florida Department of Revenue** in accordance with instructions provided in this guide. Since the filing is now electronic, do not provide through the Regulatory Electronic Filing System (REFS) any premium tax information or documentation with the filing.
5. **May I attach my check for the Annual or Quarterly Statement filing fee to my filing?**
  - > Remit Annual and Quarterly Statement filing fees directly to the **Florida Department of Revenue** in accordance with instructions provided in this guide. Since the filing is now electronic, do not provide any filing fee documentation with the filing.
6. **Do I need to attach a bar code to every filing submitted to the OIR?**
  - > N/A due to REFS.
7. **Where do I obtain the NAIC supplementary forms?**
  - > Obtain these from the supplier of your NAIC Annual Statement Blank. There are a number of independent companies that provide this service. Please refer to [www.naic.org](http://www.naic.org) for further information.
8. **Does the OIR require the filing of Risk Based Capital (RBC) reports?**
  - > **Yes.** This requirement applies to Florida domestics and foreign insurers who are commercially domiciled in Florida. Companies must upload the RBC report into a REFS filing.
  - > Requests for the RBC reports of foreign insurers will be made on a case-by-case basis as deemed necessary by the OIR.
9. **I have read the entire package, but I still have questions regarding financial filings and/or solvency requirements (vs. rate/form or other). How can I reach the financial analyst in charge of my company?**
  - > To reach Life & Health Financial Oversight directly, dial (850) 413-3153. Support Staff will guide you to the individual analyst assigned to your company. The analyst can then give you his/her direct dial number for future reference.

**GENERAL INSTRUCTIONS  
FOR COMPANIES TO USE CHECKLIST**

**Please Note:** This state's instructions for companies to file with the NAIC are included in this Checklist. The NAIC will not be sending a checklist this year.

**Electronic Filing is intended to be filing(s) submitted to the NAIC via the NAIC Internet Filing Site which eliminates the need for a company to submit diskettes or CD-ROM to the NAIC. Companies are not required to file hard copy filings with the NAIC.**

**Column (1) (Checklist)**

Companies may use the checklist as guidance for filing requirements. Florida Domiciled Companies and Alien Companies using Florida as their Port of Entry must attach a Filings Checklist to each annual or quarterly filing submitted to the OIR. A Filings Checklist is optional for foreign companies.

**Column (2) (Line #)**

Line # refers to a standard filing number used for easy reference. This line number may change from year to year.

**Column (3) (Required Filings)**

Name of item or form to be filed.

The ***Annual Statement Electronic Filing*** includes the annual statement data and all supplements due March 1, per the *Annual Statement Instructions*. This includes all detail for investment schedules and other supplements for which the *Annual Statement Instructions* exempt printed detail.

The ***March .PDF Filing*** is the .pdf file for annual statement data, detail for investment schedules, and supplements due March 1. The

***Risk-Based Capital Electronic Filing*** includes all risk-based capital data.

The ***Risk -Based Capital .PDF Filing*** is the .pdf file for risk-based capital data.

The ***Supplemental Electronic Filing*** includes all supplements due April 1, per the *Annual Statement Instructions*.

The ***Supplemental .PDF Filing*** is the .pdf file for all supplemental schedules and exhibits due April 1. The

***Quarterly Statement Electronic Filing*** includes the complete quarterly statement data.

The ***Quarterly Statement .PDF Filing*** is the .pdf file for quarterly statement data.

The ***June .PDF Filing*** is the .pdf file for the Audited Financial Statements and Accountants Letter of Qualifications.

**Column (4) (Number of Copies)**

Indicates the number of copies that each foreign or domestic company is required to file for each type of form. The Blanks (EX) Task Force modified the 1999 *Annual Statement Instructions* to waive paper filings of certain NAIC supplements and certain investment schedule detail, if such investment schedule data is available to the states via the NAIC database. The checklists reflect this action taken by the Blanks (EX) Task Force. XXX appears in the "Number of Copies" "Foreign" column for the appropriate schedules and exhibits. **Some states have chosen to waive printed quarterly and annual statements from their foreign insurers and have chosen to rely upon the NAIC database for these filings. This waiver could include supplemental annual statement filings. The XXX in this column might signify that the state has waived the paper filing of the annual statement and all supplements.**

**The OIR will be relying on the financial documents filed with the NAIC for all foreign and domestic insurers.**

**The Jurat Page will be required to be signed, notarized, and scanned to an electronic document. The scanned document will be required for all foreign and domestic insurers to provide the Jurat Page as an uploaded document into REFS.** The OIR will accept electronic signatures that comply with the requirements of Chapter 668, Florida Statutes, most notably section 668.50 ([http://leg.state.fl.us/Statutes/index.cfm?App\\_mode=Display\\_Statute&Search\\_String=&URL=0600-0699/0668/Sections/0668.50.html](http://leg.state.fl.us/Statutes/index.cfm?App_mode=Display_Statute&Search_String=&URL=0600-0699/0668/Sections/0668.50.html)). The OIR will also accept electronic notarizations that comply with Chapter 117, Part II, Florida Statutes, or the laws of the state from which the document was notarized. The Florida Department of State provides a list of approved Remote Online Notaries at <https://dos.fl.gov/sunbiz/other-services/notaries/>.

**Column (5) (Due Date)**

Indicates the date on which the company must file the form with the OIR.

**Column (6) (Form Source)**

This column contains one of three words: “NAIC,” “State,” or “Company.” If this column contains “NAIC,” the company must obtain the forms from the appropriate vendor. If this column contains “State,” the state will provide the forms with the filing instructions. If this column contains “Company,” the company, or its representative (e.g., its CPA firm), is expected to provide the form based upon the appropriate state instructions or the NAIC *Annual Statement Instructions*.

**Column (7) (Applicable Notes)**

This column contains references to the Notes to the Instructions that apply to each item listed on the checklist. The company should carefully read these notes before submitting a filing.
