\*\*Citizens Property Insurance Corporation depopulation data available [here](#).

**Acronyms:** PRM – Personal Residential Multi-Peril; PRW – Personal Residential Wind-Only; CRM – Commercial Residential Multi-Peril I; CRW- Commercial Residential Wind-only; CNR- Commercial Non-Residential; CNRW – Commercial Non-Residential Wind-only

Citizens’ policies generally fall into three categories: Personal Residential (PR), such as a single-family home or mobile home; Commercial Residential (CR), such as condominiums or apartments owned by a company or a condominium/homeowners association; and Commercial Non-Residential (CNR), such as a traditional business. Policies in those three categories fall into one of the following Account Lines: Citizen’s Personal Lines Accounts (PLA) and Commercial Lines Accounts (CLA) are mostly non-coastal properties; and the Coastal Account (CA) is coastal properties. For a more detailed explanation of policy types, click [here](#).
